### Searching for Questions

Searching for a term will reveal all questions containing it in its question text in real time.

# Edit Questions

## Multiple Choice

The screenshot shows a 'Multiple Choice' question editor. At the top, there's a blue header bar with the title 'Multiple Choice' on both the left and right sides. Below the header, the question title 'Multiple Choice' is entered. A toolbar with bold (B), italic (I), underline (U), and alignment icons follows. The main text area is labeled 'Enter your question text here.' and contains the question text '1.'. Below this are input fields for 'Default Grade' (set to 1) and 'Penalty' (set to 0,1). To the right of these are dropdown menus for 'Single Choice' (set to true) and 'Shuffle Answers' (set to true). Further down, under 'Answer option 1', there's a text area for 'Antworttext' containing '8.', a grading field 'Bewertung 100' containing '9.', and a feedback section with 'Antwort-Footer' and 'Correct!'. Another answer option section for 'Answer option 2' is partially visible at the bottom. Red numbers 1 through 11 are overlaid on various parts of the interface: 1. above the title, 2. above the toolbar, 3. above the Default Grade field, 4. above the Penalty field, 5. above the Single Choice dropdown, 6. above the Shuffle Answers dropdown, 7. above the Entfernen button in the first answer section, 8. above the Antworttext in the first answer section, 9. above the Bewertung field in the first answer section, 10. above the Antwort-Footer in the first answer section, 11. above the + Antwort hinzufügen button in the second answer section.

1. Enter the Question Title
2. Enter the Question Text
3. Enter the Default Grade
4. Enter the given Penalty
5. Choose if Single Choice or not
6. Choose if Shuffle Answers should be on.
7. Click to remove answer option
8. Enter the Answer Text
9. Choose the Grading
10. Enter given Feedback
11. Click to add answer

# Coderunner

The screenshot shows the Coderunner interface for creating a new question. The interface is divided into several sections:

- Title:** A text input field containing "1.". This is step 1.
- Text:** A rich text editor with a toolbar containing icons for bold (B), italic (I), underline (U), and other document operations. It also includes a code block icon (three horizontal lines). Step 2 is indicated by the number "2." next to the toolbar.
- Description:** A text area containing the instruction: "Schreibe eine Java-Klasse "What", mit einer Methode "toll" die "Das ist toll!" ausgibt." Step 3 is indicated by the number "3." next to the "CodeRunner Type" dropdown.
- Type:** A dropdown menu labeled "Java". Step 4 is indicated by the number "4." next to the "Startercode (template)" label.
- Startercode:** A text area labeled "Startercode / Vorlage...". Step 5 is indicated by the number "5." next to the "+ Testcase" button.
- Testcases:** A section for defining test cases. It shows one test case entry:
  - Mark:** A text input field containing "1,0000000". Step 6 is indicated by the number "6." next to the "Entfernen" (Delete) button.
  - Use as example:** A dropdown menu set to "0". Step 7 is indicated by the number "7." next to the "Mark" field.
  - stdin:** A text area containing "9.". Step 8 is indicated by the number "8." next to the dropdown menu.
  - expected:** A text area containing "Das ist toll!". Step 10 is indicated by the number "10." next to the "expected" label.

1. Enter the Question Title
2. Enter the Question Text
3. Enter the CodeRunner Type
4. Enter the Startercode
5. Click to add a new Testcase
6. Click to delete Testcase
7. Enter the Mark
8. Choose if Testcase should be used as an Example
9. Click to enter your Standard Input
10. Click to enter the expected output

## Add Questions

The screenshot shows a user interface for adding a new question. At the top, a dropdown menu labeled 'Question type' is set to 'Multiple Choice'. A red arrow labeled '1' points to this dropdown. To its right is a green 'Add' button. Below this, a blue header bar says 'New Question' on the left and 'Multiple Choice' on the right. The main form area has a title field containing 'New Question' and a rich text editor with bold (B), italic (I), underline (U), and list (L) buttons. Below the editor is a text input field with placeholder 'Enter your question text here...'. Underneath are four input fields: 'Default Grade' (1), 'Penalty' (0,1), 'Single Choice' (set to 'true'), and 'Shuffle Answers' (set to 'true'). There are two answer options listed: 'Answer option 1' and 'Answer option 2', each with a 'Remove' button ('Entfernen'). At the bottom right are 'Cancel' and 'Add to list' buttons, with a red arrow labeled '2' pointing to the 'Add to list' button.

1. Select your Question Type and click “Add”.
2. After having filled out all input fields click on “Add to List” the Question will then be created and listed at the bottom of the page.
